Charles Howell, General Counsel  
Committee on House Administration  
U.S. House of Representatives  
1309 Longworth House Office Building  
Washington, DC 20515  
[REDACTED]

Dear Mr. Howell:

I am writing to seek your assistance in obtaining DVDs of the following two hearings from First Call+, a service of the Chief Administrative Officer of the House of Representatives:

- 9/28/2006: Electronic Voting Machines: Verification, Security, and Paper Trails
- 9/27/2006: The IT Assessment: A Ten-Year Vision for Information Technology in the House

My purpose in obtaining these hearings is for a video production entitled "The Legislative Process." In addition, I would make the footage available on the Internet Archive, a nonprofit, nonpolitical public charity under section 501(c)(3) of the IRS Code.

My background as a journalist includes credentials from the U.S. Congress and the United Nations, as well as numerous audio, video, and print productions including authorship of 8 books. My employer, Public.Resource.Org, is a nonpolitical, nonprofit corporation chartered to create public works projects on the Internet.

Your assistance in bringing this matter to the attention of Chairman Brady, whose permission is required, would be much appreciated. You will find enclosed the form for forwarding to First Call+ and the requisite payment.

Thank you again for your assistance, and please don't hesitate to contact me with any questions.

Carl Malamud  
President and CEO  
Public.Resource.Org
